

100% supports pediatric cancer research at
 Cleveland Clinic Children's

1 Create your Personal Fundraising Page

When you registered your child for Trike & Bike, you received an e-mail to create your child's Personal Fundraising Page. Click on the "Create Your Fundraising Page" button in the email to begin.

2 Add a photo, story and donation.

You will be prompted to add a photo, story, and donation to start your child's fundraising. You can do this now, or at a later time. Customization goes a long way and leads to more donors.

The tabs that you will use to update your child's fundraising page are as follows:

STORY

Update the current story that shows on your child's page and explain why they are participating in Trike & Bike.

DONATIONS

View donors to your ride and send thank-yous in this tab.

DETAILS

Upload a new profile photo, set a higher goal, and create a vanity URL to make your child's page easy to remember.
