

Cardiac Sonographer Shadowing Experience Form

Thank you for your interest in the School of Cardiac Ultrasound's Adult Echocardiography program. We appreciate your considering Cleveland Clinic for your future education.

Applicants for this program are required to complete a minimum of four (4) hours shadowing a diagnostic cardiac sonographer in a Cleveland Clinic healthcare facility. This experience must be satisfied in order to complete the review of your application.

Instructions

Please complete the healthcare experience section of this form as shown below, present it to the clinician at your shadowing experience, and return the form with your application.

Please print clearly

Applicant Name:	Date(s) of Experience:
Facility Name:	
Number of hours completed:	

Verification

I certify that the above-named applicant has completed the shadowing experience hours as listed above.
