	9:00 PM											
10:00 PM	CENTER CLOSSES AT 10 PM									Sat-Sun: 9:00AM to 6:00PM		

AQUATIC PROGRAM AND ACTIVITY DESCRIPTIONS

Adult Lap Swim/Exercise/Recreation Time (L/E/R):

In each lane, adults may swim continuously in a workout setting, or exercise, stretch, relax, or play. Accommodations will be made for all levels of swimmers; including non-swimmers, who prefer to exercise in shallow water or by holding on to the poolside. This is the best time to take advantage of unscheduled pool time. However, all efforts will be made to keep at least one lane available, even during organized programs. If you want an extra lane line, put in or taken out, please ask the lifeguard on duty. We will do our best to accommodate your needs.

Aquatic Exercise Programs:

Water exercise classes guided by our Group Exercise instructors will be offered throughout the week. Aqua Rx, Aqua Zumba, Aqua Crush, Total Body Intervals and Healing Waters classes are offered morning and evening hours. See the Group Exercise schedule for class descriptions. Please contact Lori Lyons at (330) 896-5004 for more information.

Family Open Swim (FOS):

Family Open Swim time is geared to, but not limited to, family entertainment. Toys, flotation devices, and the Leisure Pool water features will be available at this time. Family open swim time is available during dependent hours.

Learn-to-Swim Lessons:

Classes for both Adults (Adult Lessons-AL) and Children (Children Lessons-CL) will be offered for those wanting to improve their water skills, stroke mechanics, and/or general fitness. Participants may choose from Red Cross Parent-Child classes, Red Cross Levels I-VI, or Adult Lessons.

Green High School Swimming:

LifeStyles is proud to be the home of the Green High School Swimming. Practices will be held Monday – Friday from 3pm–5pm during the months of November through February. The LifeStyles competition pool will be closed from approximately 3:00pm-7:30pm for up to four home swim meets. For your convenience, these dates will be posted in the pool area and at the front desk well in advance of the events.

Adult Masters Swimming:

Coached workouts for the serious adult swimmer and those wanting to improve their swimming technique, skills and overall fitness. Tuesday & Thursday nights 6:30pm – 7:30pm.

SEALS (Swimming Elite at LifeStyles):

The S.E.A.L.S (Swimming Elite at Lifestyles) is a non-competitive swim team that meets in the evenings. Swimmers will work on stroke technique, speed, and endurance. Swimmers must be able to pass Red Cross Level 4 in order to participate. SEALS sessions run concurrently with the Learn-to-Swim Sessions. See dates on the class schedule.

Special Programs:

Throughout the year the aquatic department will schedule special programs, such as Red Cross Lifeguard Training (LGT) and Water Safety Instructor (WSI) courses, stroke technique clinics, pool parties, and a variety of safety training workshops based on the needs and requests of our LifeStyles members.
