

¿Cuáles doctores no están cubiertos en virtud de nuestra Política de Ayuda Financiera?

La mayoría de los servicios brindados por los doctores en las instalaciones de Cleveland Clinic está cubierta por la **Política de Asistencia Financiera** (Financial Assistance Policy, FAP), como se describe a continuación.

Los doctores que trabajan en cada instalación y **no** están cubiertos en virtud de la FAP están identificados en la Lista de proveedores adjunta, y están identificados por su nombre y la instalación del hospital en la que tienen su consultorio.

La lista también está disponible en línea en clevelandclinic.org/financialassistance, en todas nuestras áreas de admisión y departamentos de Emergencia y a solicitud llamando a los Servicios de Apoyo Patients First (Patients First Support Services, PFSS) o solicitándola a un asesor financiero de Cleveland Clinic.

East Central Florida Facilities. Todos los servicios que brindan los médicos, independientemente de que sean en el hospital o un consultorio médico, están cubiertos en virtud de la FAP debido a que los médicos son empleados de Cleveland Clinic. Esto también ocurre en todos nuestros Centros de Cirugía y Salud Familiar de Florida East Central.

La mayoría de los médicos que prestan servicios en nuestros hospitales regionales están en consultorios privados. Sus servicios no están cubiertos en virtud de nuestra FAP. Usted recibirá una factura nuestra por los servicios hospitalarios y una factura por separado de ellos por sus servicios médicos. Los nombres de los médicos cuyos servicios no están cubiertos por la FAP se mencionan bajo el nombre de cada hospital regional en el que tienen sus consultorios.

Southeast Florida Facilities. Los servicios en los consultorios médicos no están cubiertos en virtud de la FAP. En Florida Hospital, los servicios de Emergencia y otros servicios determinados que se brindan en el hospital por doctores que son empleados de Cleveland Clinic están cubiertos en virtud de la FAP. Este pequeño grupo de médicos que presta servicios en Florida Hospital que no están cubiertos en virtud de nuestra FAP aparecen a continuación bajo el encabezado "Florida Hospital".

Esta lista entra en vigencia desde el 10/1/2022 y se actualiza trimestralmente. Si no ve un médico en la lista y desea verificar si la CCHS FAP actualmente cubre a esa persona, llame a PFSS al 866.621.6385.
