

I am going to visit Dr. Adley at the Cleveland Clinic.

I will go to the lobby and check in.

I will wait in the waiting room.

I will meet Dr. Adley.

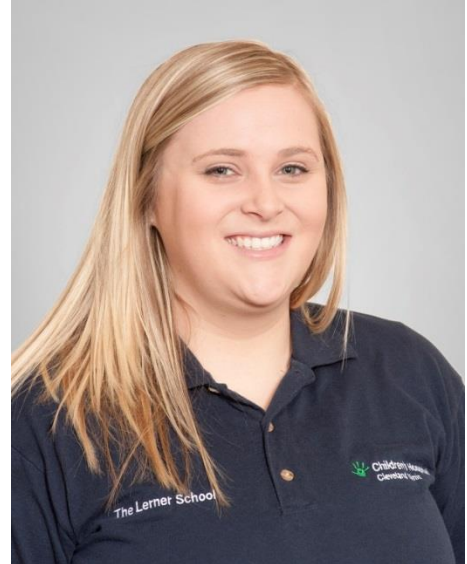

A large collection of children's toys and books is displayed in front of a dark blue plastic storage bin. The items include a doll in a pink outfit sitting in a blue bathtub, a white stuffed rabbit, a red Lightning McQueen toy car, various colorful blocks, a clock face, a book titled "TUESDAY", a book titled "Coco Mitter, Geniale", and several other small toys and books scattered around. A CD labeled "ADDS-2" is also visible on the right side.

I may meet Katie or Melissa.
