			Cleveland Clinic Presentations at AUA	2023	
			eo; D = Debate; IC = Instructional Course; HO = Hands On Skills	Training	
FRIDAY		1			T
<u>START</u>	<u>END</u>	SESSION	TITLE	PRESENTER	LOCATION
7:00	9:00	MP03	Urodynamics/Lower Urinary Tract Dysfunction/Female Pelvic Medicine: Basic Research & Pathophysiology I Genitourinary Cancer Survivorship Programs – A	Margot Damaser, PhD Howard Goldman, MD, FACS	S404C
7:00	9:00	MP06-18	Disparity Among National Cancer Institutes	Shree Agrawal, MD	\$505
7:20		V01-03	Single-Port Mini Pfannenstiel Robotic Extraperitoneal Pediatric Pyeloplasty: Initial Experience	Jaya (Jay) S. Chavali, MD	Video Abstract Theater
8:00	4:30	AUA/CAU Spanish Urology Program	AUA/CAU Spanish Urology Program	Jorge Gutierrez-Aceves, MD	S100A
		AUA/CAU Spanish			
8:01	8:05	Urology Program	Welcome	Jorge Gutierrez-Aceves, MD	S100A
		AUA/CAU Spanish	State-of-the-Art Lectures: Overview and Update 2023 -		
8:05	12:00	Urology Program	All You Need to Know	Jorge Gutierrez-Aceves, MD	S100A
8:30	8:45	Indian American Urological Association (IAUA) Indian American	Debate Topic: Mini PCNL vs Ureteroscopy for Medium Sized Stones	Smita De, MD, PhD	Hyatt Regency McCormick-Jackson Park Hyatt Regency
8:45	9:00	Urological Association (IAUA)	Debate Topic: Management of BCG Refractory Non- Muscle Invasive Bladder CA	Shilpa Gupta, MD	McCormick-Jackson Park
9:15		Indian American Urological Association (IAUA) AUA/CAU Spanish	Debate Topic: Implantable Tibial vs. SNM	Sneha Vaish, MD, BA (Florida)	Hyatt Regency McCormick-Jackson Park
9:20	0.45	Urology Program	Stress Urinary Incontinence and Overactive Bladder	Sandip Vasavada, MD	S100A
9:30		MP07-12	Pelvic Floor Support Following Female Radical Cystectomy: A Longitudinal Observational Study	Shree Agrawal, MD	S401A
9:30	11:30	MP10-18	Does video of laser dusting improve accuracy of stone identification?	Juan Sebastian Rodriguez Alvarez, MD	S405
9:30	11:30	MP12	Diversity, Equity & Inclusion: Health Equity & Outcomes I	Hadley Wood, MD	\$505
10:00		Indian American Urological Association (IAUA)	Debate Topic: Sperm DNA Fragmentation Testing	Raevti Bole, MD	Hyatt Regency McCormick-Jackson Park
11:10	11:35	AUA/CAU Spanish Urology Program	Renal Cancer	Steven Campbell, MD, PhD	S100A
1:00	1:10	V03-01	Single-Port Kidney Auto-Transplantation (SP-KAT) With Boari Flap Ureteral Reimplant: Description Of Our Novel Approach	Jaya (Jay) S. Chavali, MD	Video Abstract Theater
1.00	2.00	NAD12 17	Initial 99 Consecutive Single-Port Robot-Assisted Simple	Revens Remos Corninteurs MD	S 401 A
1:00 1:00		MP13-17 PD09	Prostatectomies Bladder Cancer: Invasive I	Roxana Ramos-Carpinteyro, MD Nima Almassi, MD	S401A S404A
1:40		PD08-05	Computer-Generated C-Index Nephrometry Scores Demonstrate Superior Predictive Accuracy to Those of Human-Generated Scores in Predicting Oncologic and Perioperative Outcomes Fully Automated Tumor Contact Surface Area Predicts	Andrew Wood, MD	S401C
1:50	2:00	PD08-06	Postoperative Ipsilateral GFR Preservation Following Partial Nephrectomy	Andrew Wood, MD	S401C
2:00	5.00	103HO	Surgical Management of Benign Prostatic Hypertrophy	Smita De, MD, PhD	N226
2:00		Sexual Medicine Society of North America (SMSNA)	Surgical Management of Benign Prostatic Hypertrophy Scrotal Decompression for Priapism: A Viable Alternative?	Petar Bajic, MD	Marriott Marquis Chicago-Grand Horizon Ballroom A
3:50	4:10	Society of Urodynamics, Female Pelvic Medicine & Urogenital Reconstruction (SUFU)	Debate: Anticholinergics - Do they Really Cause Dementia?	Howard Goldman, MD, FACS	Hyatt Regency McCormick- Regency Ballroom A

		AUA/CAU Spanish	Transvesical robotic assisted radical prostatectomy and		
3:30	2.55	Urology Program	simple prostatectomy, a novel approach	Jihad Kaouk, MD, FACS, FRCS	S100A
3.30	3.55	OTOlogy Program	Refractory Overactive Bladder: How to Select Third-Line	JITAG RADUK, MD, TACS, TRCS	3100A
4:00	6.00	019IC	Therapies and Optimize Outcomes	Sandin Vasavada MD	S102C
4.00	0.00	01910		Sandip Vasavada, MD	31020
		Sexual Medicine Society			Marriott Marquis
		of North America			Chicago-Grand
4.20	4.57		W/hat is Normal2	Louise Liebing NAD (Florida)	-
4:30	4:57	(SMSNA)	What is Normal?	Lawrence Hakim, MD (Florida)	Horizon Ballroom A
5:30	7.20	Satellite Symposia	7th Appual Innovations in Pohotic Surgery Videos in 2D	libad Kaouk MD EACS ERCS	S100BC
SATURE			7th Annual Innovations in Robotic Surgery – Videos in 3D	JITAU RADUK, MD, FACS, FRCS	3100BC
1	END	SESSION	TITLE	PRESENTER	LOCATION
<u>START</u>	END	<u>3E33ION</u>		Martin Hofmann, MD	Video Abstract
7:00	7.10	V05-01	Ex Vivo Partial Nonbrostomy in a Solitary Kidnoy	Mohamed Eltemamy, MD	Theater
